YOUR LOCAL HIGH SPEED INTERNET SERVICE PROVIDER

TECHNOLOGY SPECIALISTS GROUP is a locally owned and operated company that has been offering High Speed Internet service in Central Illinois since 1995. We offer a variety of High Speed Internet connection types to meet the needs of residential and business customers. Because our area of service is expanding all the time, please visit our web site for the latest areas served. Our High Speed Internet service offers:

- Always on Internet
- Incredibly fast connections
- As many computers as you want (router required)
- No ports or other services blocked
- No phone line required

SIGN UP TODAY

How to obtain our High Speed Wireless Internet Service

- Call us at 217-356-4009 to schedule a site survey to check the availability of our service in your area
- If service is available you can schedule a time for an install

COMPUTER REQUIREMENTS

We are able to get nearly every computer running nearly any operating system to work with our service. However, we cannot guarantee that any specific computer will work flawlessly.

COMMITTED TO SOLUTIONS, NOT EXCUSES

TSG, Inc. believes that each client deserves personal, professional attention and common-sense customer service that yields timely solutions rather than excuses. Our qualified staff is dedicated to working with you to quickly solve problems and provide explanations. We know that you want fast solutions now, not vague excuses from a cubicle hundreds of miles away.

TECHNOLOGY SPECIALISTS GROUP is dedicated to providing High Speed Wireless Internet to you. We monitor 24 hours a day 7 days a week for system outages and performance degradation, and make necessary repairs as soon as possible. We experience service failures on average of only few cumulative hours per year. Professional network administrators are always available to provide solutions to all of your computer and network needs.

RESIDENTIAL PLANS

Select the Wireless plan that best suits your speed and budget needs:

128K	\$29.99
1 megabit	\$39.99
2 megabits	\$59.99

Other speeds and pricing plans can be made available upon request.

BUSINESS PLANS

Call or email us to discuss your specific needs and we will be happy to find a solution that is efficient and affordable.

ACTIVATION FEE

Standard Activation Fee \$199.99

Standard activation fee includes an antenna mount, antenna, necessary cable, wireless radio, power supply, and labor. You will get use of the equipment for as long as you have service with us. (network interface card is not included but can be purchased for \$19.99 if needed)

Standard activation fee does not include in attic, in crawl-space, or in wall wiring.
